FALCO™

FEATURES:-

- ✓ DC 12V, < 200mA

- ✓ Reading EM/Mifare card

- ✓ Support wiegand 26/34, 485

- ✓ Card reaction speed less than 100ms

- ✓ Support QR Code reading

- ✓ Recombination ISO 14443 A/B/C, ISO 15893 agreement, iClass card, EM 4100 series

AY-QR85 is QR Code Reader that integrates high performance reading card radio frequency circuit and antenna, multiple user interfaces, wiegand, UART. Rich applications support, support multiple card read and write operations.

AY-QR85 widely used at Office access management, Tourism management, Community Visitor Access management, Administrator Service Hall management, Gates access control, Visitor Intelligent

SPECIFICATION:-

Model	AY-QR85 QR Code Reader
Power requirements	DC 12V/ <200mA
Interface	Wiegand 26/34, RS485, RS 232, UART (TTL)
Card Type	EM, Mifare
Card dimension	86 x 55 x 2 mm maximum
Dimension (mm)	W 86 X L 86 X T 10 mm
Housing	ABS
Weight	110 g
Operating temperature	-20 ~ 60° C
Operating Humidity	10 ~ 95 %
Colour	Black

ORDER INFORMATION :-

Wiegand 26,34 and 485 interface
Model : AY-QR85 QR CODE READER
